# PRINCIPALS MESSAGE

Leila Staffler

Dear AYUYU Family,

This year was a year to remember! Every year we aim high, this year we hit it out of the park. All of the hard work we started out doing, certainly paid off in dividends. It is because of your efforts, we have seen the highest graduation rate since KHS's first graduating class in 2006. It is because of your efforts, students are passing classes and earning credits.

This year, KHS had the lowest retention rate in 3 years. Even more impressive, the discipline record shows a huge decline in overall offenses over the last four years. All of these good indicators reinforce our effort to make you college and career ready.

This year our big focus was on College and Career exploration. You all signed up with KUDER and took the assessments. Our top 3 career interests at KHS were: Law, public safety, corrections and security, Education and training and Health Sciences. Your teachers guided you through career exploration using the Kuder Navigator and in the Achieve Career center. If we had not shut down from the **COVID -19** pandemic, your counselors had an amazing Career Day planned with your very own KHS Alumni presenting on careers they have pursued since they graduated. Unfortunately, that plan is on hold, but it is not forgotten!

**Dear Class of 2020:** After this year, you will always be known as an AYUYU Alumni. Be proud and continue to represent. You are part of the AYUYU Legacy. THANK YOU for making Kagman High the school that it continues to be. Your contributions of service - to your peers, teachers, family and community, are the heart and soul of the AYUYU Spirit.

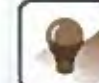

Please continue to give from the heart.

Please come back for career day 2035. =)
